Logos - terms of use

- The “EXIST”, “BMWi” (Federal Ministry for Economic Affairs and Energy), “ESF-European Social Fund-Germany” and “European Union” logos must be used in all publicity media, such as flyers, website, presentations etc. during the project funding period.

- Neither the Federal Ministry for Economic Affairs and Energy, nor the European Union, nor Jülich project management are partners of the start-ups and should not be described as such.

- After the end of the funding period, beneficiaries may only continue to use the EXIST logo if they name the project that was funded and the funding period.

- Using the logos of the funding bodies beyond the funding period is inadmissible. The logos may only be used for projects that receive funding.
